Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted Applicants' representative to VACATE the Advisory Action of 19 February 2004. Applicants' January 20, 2004 response had been mistakenly coded as a proposed amendment under §1.116 (See attached PALM contents page). Subsequently, the examiner was alerted to Applicants' express abandonment upon RCE under §1.114. A formal communication accompanies this summary. Having reviewed the examiner's remarks in the Advisory Action, Applicants' representative is in the process of preparing a supplemental amendment and remarks. The examiner agreed to hold an Office action in abeyance for a week or ten days, by which time Applicants' representative will forward such submission by facsimile to the examiner's fax number (571) 273-2314 for expedited scanning and entry..
